LIGHTING

HOSPITALITY LIGHTING

A modern hotel room featuring two beds with white linens and dark leather headboards. The room has a patterned carpet, a large window with a view of a city, and contemporary lighting fixtures including a desk lamp and a floor lamp. A black leather chair with a patterned cushion and a fringed orange pillow is positioned near the beds. A large abstract painting is on the wall behind the beds.

Designer: EoA Group

Options that make a big impact

Size, Style, Finish, Lamping... there are a number of details to consider when designing and specifying for your guestroom and public area projects.

At Better Designed Lighting, we do more than just manufacture the perfect table lamp or statement chandelier. As lighting experts, we are here to answer any question and meet any request.

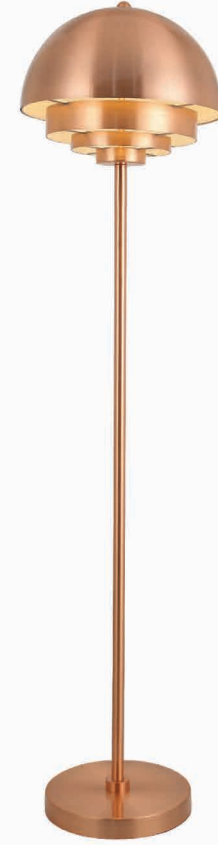

Better Designed Lighting... fine lighting crafted to realize your design intent.

Any style, size, and finish...crafted to realize your design intent
