Catering to your specific project needs

We provide our customers hospitality case goods through the best technical, engineering, and project management support, with fluid communication throughout to deliver a quality product on time, every time.

Geographical Presence

Presence in Greensboro, Las Vegas, Toronto and Vietnam

The Telos Footprint

Telos is a global business headquartered in Greensboro, NC with engineering and project management offices in Toronto and North Carolina and operations in Las Vegas

Sources are primarily in Vietnam, with the exception of a domestic supplier in South Carolina

Telos has sourced from other Asian countries in the past, and still maintains relationships with those suppliers.
